Step 4

If you are creating a Team (if its just you) you will be prompted on this page to name your team. Make it something FUN :) You will notice there is a default goal already set. You can adjust this amount if you would like but we thought we start you off with a suggested amount. You can alter this amount at anytime during the campaign.

You will also notice "our appeal story" is preloaded for you. It is a proven fact that a page with a story raise more money than one without a story.

You an also edit this section to include your reasons for choosing to help Camp Jamison. Another proven fact, a personal story drives bigger donations.

The screenshot shows the GoFundMe campaign editor. On the left is a sidebar with tabs for 'Content', 'Design', and 'Settings'. Under 'Content', there are fields for 'Campaign Name' (set to 'Camp Jamison Example'), 'Photos' (with a drag-and-drop area and a preview image), 'Video' (with a 'Add a video from YouTube' field), and 'Story' (with a rich text editor). The main area displays a preview of the campaign page. The header features the GoFundMe logo and a search bar. The main content area has a green banner with the text 'HELP SEND THEM TO CAMP' and a photo of children. Below the banner is the campaign title 'Camp Jamison Example' and social sharing buttons for 'Share' and 'Tweet'. A progress bar shows '\$0 of \$500 goal' and 'Campaign created 1 minute ago'. There are 'Donate', 'Join', and 'Share' buttons. The footer includes 'Created May 20, 2021', a list of team members (Camp Jamison Campaign, LeeAnn Lowery Team Organizer, Camp Jamison Corporation Benefiting Charity), and a 'Recent Donations' section.

Step 8

People who may want to join your team can select the Join a Team option and search your team name from the drop down menu or from the title display.

Select a team

The screenshot shows the 'Select a team' search interface. At the top is a search bar. Below it, under the heading 'Teams', there are two team cards. Each card features a photo of children and the text 'Camp Jamison Example' and '\$0 Raised'.

Step 9

Use the Share button to post your Fundraising Page directly to Facebook, where your friends and family will be able to donate to your page.

The screenshot shows two overlapping windows. The background window is a 'Team Created!' confirmation message from GoFundMe. It says 'Team Created! Camp Jamison Test' and includes a 'Share On Facebook' button. Below the button, it says 'So awesome. You just successfully created a team. Here are a few quick next steps...'. The foreground window is a Facebook share dialog. It shows the URL 'facebook.com/v3.0/dialog/share?app_id=208124659230382&channel_url=https%3...', the text 'Share on Facebook', and a dropdown menu set to 'Share to News Feed or Story'. The preview area shows the campaign banner and title 'Camp Jamison Example'. At the bottom, there are options for 'News Feed' (selected), 'Public' (selected), and 'Friends', along with 'Cancel' and 'Post to Facebook' buttons.
